Subject: SIET Initiative Rescoping Needs

Hi Sheryl, Virginia, Billy

My takeaways from today's meeting. Please provide guidance on #2.

1. Will work with SGT Wilson to re-scope CPD Recruiting. Will help him create a plan of action to get them to 60. Flow chart, Key Measurables & goal #s at each stage, interventions at each stage (what he's going to do differently to make it happen).
2. Spoke with Chief following the meeting and believe we may have a significant scope change for the D5 initiative. Less about facilities and more about a reorganization. **Do I need to work with Chief to rescope?**

Thanks,
Eric
